**YOU ARE INVITED TO THE COLLEEN McCRORY
MEMORIAL CELEBRATIONS AND EVENTS**

Colleen's family, friends and colleagues are invited to come together to celebrate Colleen's life and her legacy. Events will be held the weekend of August 25 and 26, 2007, in Colleen's hometown of Silverton, B.C.

Two memorial events will be held to accommodate the vast number of people who knew and loved Colleen through her many involvements:

- As a loving and nurturing member of the large McCrory clan,
- As one of the leaders of the Valhalla Wilderness Society,
- As a neighbour, community volunteer and friend to many sick and elderly,
- As an international environmental and social justice activist, and
- As the BC Green Party deputy leader and candidate.

Please come and share a rich celebration of Colleen's life in our beautiful Slokan Valley - the valley of the Valhalla range. We hope you will also take some time to enjoy the communities and wilderness that Colleen so cherished.

MEMORIAL CELEBRATIONS

Two memorial events are planned.

- A memorial celebration on Saturday, Aug. 25 will be oriented toward Colleen's family and friends in the local community.
- A memorial celebration on Sunday, Aug. 26 will be focused on the legacy left by Colleen's activism and will be oriented toward her friends and colleagues in the environmental and social justice community.

People are welcome to attend whichever event they wish, or both.

Each event will be held at the Silverton Day Park from 11 a.m. - 1 p.m. Light refreshments will be served after each ceremony at the nearby Silverton Memorial Hall

Please note that weather or other factors could cause us to move the venue to another location. Up-to-date information will be posted on the Valhalla Wilderness Society's website www.vws.org. There will also be an up-to-date listing of all events and venues posted in the window of the Valhalla Wilderness Society's Nature Centre (main street, New Denver). We suggest you check this upon your arrival.

The other possibility is flying to the Kelowna airport, served by WestJet. It's approximately a 4.5-hour drive from Kelowna to Silverton.
